ORDER

JEANNETTE A. VARGAS, United States District Judge:

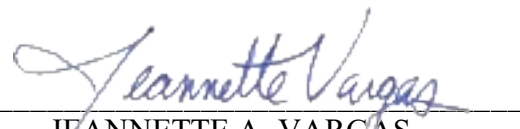

For the reasons described in ECF No. 41, Plaintiff's request to seal Exhibits 1–4 and 6 is **GRANTED**.

For Exhibit 5, the motion to seal is **DENIED**. Based on the record before the Court, it is unclear why sealing Exhibit 5 in its entirety is necessary "to preserve higher values," and is "narrowly tailored to serve that interest." *Lugosch v. Pyramid Co. of Onondaga*, 435 F.3d 110, 120 (2d Cir. 2006). Plaintiff should propose tailored redactions of the alleged sensitive business information contained in this Exhibit, or, in the alternative, provide the Court with a more detailed explanation as to why the Exhibit should be sealed in its entirety.

The Clerk of Court is directed to terminate ECF No. 41.

SO ORDERED.
